FOR IMMEDIATE RELEASE

Mayor Susan Sample Set to Present West University Place State of the City Address

WEST UNIVERSITY PLACE, TX – On Monday, February 16, at 6:30 p.m., West University Place Mayor Susan Sample will deliver the State of the City Address before an audience of residents and community leaders. The event will be held at the Community Building located at 6104 Auden St.

“2025 was a busy year for our city. We broke ground on significant infrastructure projects, welcomed new members to the City Council, approved funding to continue improvements to our sidewalks, water network, and drainage system, all while continuing to offer one of the lowest property tax rates in Harris County for a full-service city,” said Mayor Sample. “The State of the City Address is a great opportunity to highlight those achievements, as well as upcoming projects and initiatives, and all that goes into making West U one of the greatest places to call home,” she continued.

This year’s address is expected to be particularly insightful as Mayor Sample highlights plans for pedestrian mobility enhancements, updates on various infrastructure projects, and the Harris County Flood District’s Poor Farm Ditch Reconstruction Project.

Members of the media, local organizations, and the public are encouraged to attend the State of the City Address. City Council members and city staff will be available before and after the presentation to answer questions and engage with attendees.
