

# Summer Camps

City of West University  
Place Parks and Recreation Department

## Summer Camp Registration Information

Priority registration for Summer Camps will begin **Tuesday, January 28** at the Recreation Center, 4210 Bellaire.

Priority registration can be done online this year!

Resident registration for Summer Camps will begin on **Tuesday, February 4** at the Recreation Center, 4210 Bellaire.

Non-resident registration for Summer Camps will begin **Thursday, February 6** at the Recreation Center, 4210 Bellaire.

### Recreation Center Hours of Operation

Monday – Friday	5:00 AM – 9:00 PM
Saturday	7:00 AM – 7:00 PM
Sunday	8:00 AM – 7:00 PM

Summer Camp forms are available on-line at the Parks and Recreation Summer Camp Page on the City's website at [www.westutx.gov](http://www.westutx.gov).

## Summer Camp registration is also available on-line!

1. Find camp you want to register for.
2. Visit website at [www.westutx.gov](http://www.westutx.gov) and go to the Departments & Services tab, choose Parks and Recreation, then select "On-line Registration" from the drop down menu.
3. To register online, a user name and password is necessary. If you do not already have a user name and password, please allow 3 – 5 business days to receive this information once the account has been created.
4. Choose your camp and click to register.
5. Complete registration, pay with a credit card and receive an instant e-mail confirmation of your enrollment.

### Cancellations

Camps may be cancelled if minimum registration requirement is not met a week before camp begins. If camps are cancelled, refunds will be processed or transfers will be given.

### REFUNDS

Refunds will not be issued once a class begins, whether you have attended class or not. Attendance is the responsibility of the participant. However, transfers will be given to those who qualify (see Transfer & Credits section). Withdrawals are allowed up to five business days (Monday – Friday) before the class begins. If you decide to withdraw from a class before it begins, a \$10 administration fee per person, per class will be deducted. Please allow two to three weeks for processing of refunds.

### Abakadoodle Art Camps (Ages 3 – 6)

**Bug Me Art Camp:** You are being bugged. This creepy crawler camp is all about bugs, reptiles, nighttime adventures and the teeny tiny world of insects. We will create bug habitats, design mazes and make mosaics- all while learning about bug and reptile characteristics.

203019-01 June 15 – 18 M – Th  
9:00 AM – 12:00 PM

**Space Art Adventure STEAM Camp:** Join us and blast off to an outer space adventure! Create art that focuses on science, technology, engineering, and math concepts. Learn about the solar system, meteoroids, constellations and more! Explore art techniques and make new friends while reaching for the stars!

203019 02 June 29 – July 2 M – Th  
9:00 AM – 12:00 PM

**Big Abakadoodle Circus Art Camp:** Ladies and gentlemen, boys and girls...Welcome to the greatest art camp on earth. Campers will stretch their creative muscles as they clown around with circus paintings, tame clever circus animal sculptures, swing along to create a balancing trapeze artist and more!

203019 03 July 13 – 16 M – Th  
9:00 AM – 12:00 PM

**Summer Surfing Art Camp!** Summer is the best time for catching rays and waves. This camp transports us to a virtual tropical paradise where we'll create the perfect wave, design fish, make and fly airplanes towing a message, create watercolor seascapes and more!

203019 04 Aug 10 – 13 M – Th  
9:00 AM – 12:00 PM

**It's a Jungle Out There Art Camp!** Bring your best imagination and learn about the rain forest, its animals, plants and indigenous people while jumping into this jungle adventure. Have a wild time learning new art techniques, creating friendly sloths, toucans, piranhas, snakes, a tree house collage and more!

203019 05 Aug 17 – 20 M – Th  
9:00 AM – 12:00 PM

**Fees:** \$230 R, \$245 NR

**Location:** Colonial Park Multi-Purpose Rm, 4130 Byron St.

**Note:** Please bring snack and drink

### Building Brains (Ages 3 – 12)

**(Ages 3 – 5):** Building Brains uses LEGO and K'™NEX educational kits to build math and science (S.T.E.M.) skills. Students will build simple machines that really work, using gears, levers and pulleys, while building fine motor skills, sequential thinking skills, problem solving skills and confidence. This is truly an Engineering curriculum. Projects include: Cars, Tops, Merry Go Rounds, Drills, Mixers, Cranes, Conveyor Belts, and more. We are not just building. We are BUILDING BRAINS! Please bring a drink and snack.

203001 01	May 26 – 29	Tu – F
203001 02	June 1 – 5	M – F
203001 03	June 15 – 19	M – F
203001 04	July 6 – 10	M – F
203001 05	July 20 – 24	M – F

**Time:** 9:00 AM – 12:00 PM

**Fees:** Session 01: \$230 R, \$245 NR

Sessions 02, 03, 04, 05: \$280 R, \$305 NR

**Instructor:** Building Brains

**Location:** Scout House, 6108 Edloe St.

### Building Brains Lego Camp (Ages 6 – 12):

Change paragraph to: Students BUILD simple machines using gears, levers and pulleys and then motorize them using the LEGO and K'NEX educational kit, students challenge on another to create, build and test the best design.

#### 1:00 PM – 4:00 PM

203002 01	June 1 – 5	M – F
203002 02	June 15 – 19	M – F
203002 03	July 6 – 10	M – F
203002 04	July 20 – 24	M – F
203002 05	July 27 – 31	M – F
203002 06	Aug 3 – 7	M – F
203002 07	Aug 10 – 14	M – F

#### 9:00 AM – 4:00 PM

203000 01	June 1 – 5	M – F
203000 02	June 15 – 19	M – F
203000 03	July 6 – 10	M – F
203000 04	July 20 – 24	M – F

**Fees:**

Half Day: \$280 R, \$305 NR;

Full Day: \$430 R, \$455 NR

**Instructor:** Building Brains

**Location:** Scout House, 6108 Edloe St.

## Little iKids Camp

Times: 9:00 AM – 12:00 PM

Fees: \$225 R, \$240 NR

Instructor: iKids Inc.

Location: Colonial Park Multi-Purpose Rm, 4130 Byron St.

www.ikidsinc.com

**Lego Tech Luau: (Ages 3-7)** Hula over to LEGO Island for an aqua-bot adventure. Have fun with LEGO robotics building sea animals, water vehicles and more. Take a sunset stroll on the boardwalk and build machines like Ferris wheels and other exciting rides. Enjoy this island adventure of sand castles, beach balls, water play LEGO Luau.

203009 02 June 1 – 4 M – Th

**Kid-Style Cooking: (Ages 4-8)** It is Culinary school for kids. Young chefs learn basic cooking skills with fun food activities. Students will become familiar with culinary terms, kitchen utensils, reading recipes and more. Each day will be filled with creativity, science and math based concepts threaded through out our exciting cooking endeavors.

203009 01 June 8 – 11 M – Th

203009 04 July 20 – 23 M – Th

**LEGO Tech USA: (Ages 3-7)** Travel on an all American road trip through LEGO USA and explore some of America's favorite things, such as cars. Sports and space. Have fun with LEGO building from simple machines to basic robotics for each road stop and tourist attraction. Build your vehicle and lets go.

203009 03 June 22 – 25 M – Th

**Dinotunes Discovery: (Ages 3-7)** Journey to a dinosaur discovery site for music exploration. Children are introduced to basic skills as they participate in dinosaur themed activities, such as conducting archeological digs for dinosaur bones to make rhythm and drum sticks

203009 05 June 27 – 30 M – Th

**Fairy Tale Fine Arts: (Ages 3-7)** Art, music, drama, and dance are the focus of this fairy tale themed camp. Every day will be a new learning experience in the realm of fine arts.

203009 06 Aug 3 – 6 M – Th

## Coder Kids (Ages 5 – 13)

**Scratch Coding: Outer Space (Ages 8-13):** Join us as we create our own games and animations using Scratch, a drag and drop program developed by MIT. You will learn coding fundamentals in this space themed camp as you learn about variables, conditional statements, sequence, logic and coordinates. If you can imagine it, you can code it.

203025 01 June 22 – 25 M – Th  
1:00 – 4:00 PM

**Scratch Jr (Ages 5-7):** Campers will learn the fundamentals of coding as they create their own coding projects. They will focus on coding animations and games. At the end of the week there will be a showcase to show off their projects. If you can imagine it, you can code it.

2030245 02 July 6 – 9 M – Th  
9:00 AM– 12:00 PM

**Scratch Coding: Advanced (Ages 10-13):** Campers that have used Scratch in the past will learn more how to create more advanced games like platforms, RPG's and other physic based games. The focus will be on high quality games. There will be a showcase for parents at the end of the week for parents to show off their projects. If you can imagine it, you can code it.

203025 03 Aug 10 – 13 M – Th  
9:00 AM– 4:00 PM

**Coding Projects in Python (Ages 10-13):** Python offers a great next step for transiting out of Scratch. Campers will work on text based games and projects just like AI Sweigart. At the end of the week you will have your own test based program.

203025 04 Aug 17 – 20 M – Th  
9:00 AM– 4:00 PM

Fees: Session 01, 02: \$170 R, \$185 NR;  
Session 03: \$330 R, \$355 NR,  
Session 04: \$300 R, \$325 NR

Instructor: Building Brains

Location: Colonial Park Multi Purpose Room, 4130 Byron St.

## Cook Learn Grow (Ages 7 – 13)

**Celebrating the Olympics: Recipes for Champions: (Ages 7-9)** Tokyo 2020! The Summer Olympics! We marvel and are in awe as people from across the world amaze us with their strength and speed. Food plays a huge part in an athlete's training and young chefs will learn about the 'power' of food and make recipes 'fit for champions!' Parents enjoy a tasting reception on the last day. This camp can accommodate nut allergies only. Minimum of 10.

203023 01 June 8 – 11 M – Th  
9:00 AM– 12:00 PM

**Master Jr. Chef: (Ages 10-13)** Think you can cook? Join us for a fun week of culinary challenges, teamwork, showdowns, technique and tasty fun! A fun and delicious experience that will have you auditioning for the next kid's cooking show. Maybe you will be the next Master Chef! Parents enjoy a tasting reception on the last day. This camp can accommodate nut allergies only. Minimum of 10.

203023 02 June 8 – June 11 M – Th  
1:00 – 4:00 PM

Fees: \$250 R, \$275 NR;

Instructor: Cook Learn Grow

Location: Scout House, 6108 Edloe St.

## Idea Lab Camp (Ages 5 – 13)

**Drone Photography (Ages 10-13):** This is where technology meets art. Learn how to take photos using a drone. The high flying cameras enable you to capture unique viewpoints of common subjects.

203014 01 June 1 – 4 M – Th  
1:00 – 4:00 PM

**Science of the Jedi (Ages 6-9):** Get our light-sabers ready we're training new Idea Lab Jedi's! Being a Jedi is more than fun, it's science also! Learn how Jedi's fuel and maintain their bodies. Do some fun and exciting Jedi experiments. This camp is great for the little Jedi in your life.

203014 02 June 8 – 11 M – Th  
1:00 – 4:00 PM

**Fizz, Pop, Crackle: Culinary Chemistry and Edible Science (Ages 6-9)** What fizzes and crackles? Science, of course! Come explore the science behind chemical reactions. Who knew our kitchen could create such a slimy mess.

203014 03 June 15 – 18 M – Th  
1:00 – 4:00 PM

**Drone Engineering with 3D Printing (Ages 10-13):**

Students will experience it all from creating their own 3D model frame to putting together the electronic components to piloting their customized drone. Learning how to build a complete fully functional remote controlled quadcopter which flies and takes aerial photos. Additional kit cost \$50.

203014 04 June 29 – Jul 2 M – Th  
1:00 – 4:00 PM

**Sssh...Super-Secret Spy School!**

**(Ages 6-9)** Create projects to help you become the top secret spy you have always wanted to be. From lie detectors, motion detectors and even Invisible ink that lets you pass messages undetected this spy camp is fun and interactive and introduces campers to Engineering and deductive reasoning.

203014 05 July 6 – 9 M – Th  
1:00 – 4:00 PM

**Hocus Pocus: Wizarding Science Academy (Ages 10-13):**

Luminary, levitation and smoldering snakes all have something in common. They are needed to pass the Idea Lab wizarding exam. Using science, technology and our imagination we will test the boundaries of what is real and what is magic and what is science and what is sorcery.

203014 06 July 13 – 16 M – Th  
1:00 – 4:00 PM

**Space Engineering: Surviving on Planet Xylon (Ages 10-13)**

Come and learn about living in space in this fun and interesting space engineering camp. The campers will get to learn about living on a fictitious planet and the challenges that living on a new planet. Design and build your own habitat capable of sustaining human life.

203014 07 July 20 – 23 M – Th  
1:00 – 4:00 PM

**Look out Kinetic Design: Where Engineering Meets Art (Ages 10-13)**

Art and Engineering meet in this fun camp that allows you to refine your creative skills through art and engineering. Create fun projects that make you think and get your creativity flowing!

203014 08 July 27 – 30 M – Th  
1:00 – 4:00 PM

**MacGyver's Tinker and Invention Club (Ages 10-13):**

Can you use the resources given to you to create something? Are you into fun engineering challenges that work your brain power and teach team work? You will explore the art of engineering through awesome challenges.

203014 09 Aug 3 – 6 M – Th  
1:00 – 4:00 PM

**Evil Genuis: Super Hero Gadgets vs. Villian Gadgets (Ages 6-9):**

Which path will you choose? Build exciting gadgets and use them for justice or mischievous fun. Trip wire alarms, grappling hooks, super hero gadgets and more are all in store for you.

203014 10 August 10 – 13 M – Th  
1:00 – 4:00 PM

**Photography and Website Design (Ages 10-13)**

This Camp will allow students to explore the world of photography and learning how to snap photos like a pro! Students will explore and begin to master the different photo editing software. Students will incorporate their photography in their very own website that they create to showcase their skills!

203014 11 August 17 – 20 M – Th  
1:00 – 4:00 PM

Fees: \$245 R, \$260 NR

Location: Colonial Park Multi Purpose Room, 4130 Byron St.

**Little Folks Dance Camps (Ages 4-10)**

**Superhero Camp (Ages 8-14)** Calling all superheroes! Join us as we build a secret hide out, test our bravery and prepare to save the world. Singing, dancing and acting will be an integral part of the program with an entertaining final performance on Thursday so parents can see what their super heroes have accomplished.

203003 01 Aug 3 – 6 M – Th  
9:00 AM– 1:00 PM

**Diva Camp (Ages 8-14):** Your day will be filled with pajama parties as well as daily pedicures, facials, fun hairsyles, and all the pampering needed. You will dance daily and show off your skills at a special performance at the end of camp.

203003 02 Aug 10 – 13 M – Th  
9:00 AM– 1:00 PM

Fees: \$265 R, \$290 NR

Instructor: Little Folks Dance Company

Location: Scout House, 6108 Edloe St.

**Mad Science Camp (Ages 6-12)**

**Crazy Chemworks:** Shake up a flask of fun in the lab as a junior chemist. These five half days of chemistry are packed solid with cool science, radical reactions and more. Campers will put on some goggles and change liquids to solids and back again. They get to handle laboratory tools, build and break molecules, observe chemical changes and test pH balances. Campers will bring home different science tools so that at the end of the camps, they will have a complete chemistry kit!

203018 01 June 22 – 26 M – F  
1:00 – 4:00 PM

**Tippi Toes Dance Camp**

Once upon a time in a not so far away land, Tippi Toes Dance Company planned a beautiful Princess Dance Camp. Come dressed in your favorite princess or ballerina outfits and meet princesses like Cinderella. We will dance, hear stories, attend the princess beauty parlor, create crafts and play games! At the end of their time they will invite queen Moms and King Dads to attend a royal dance performance and award ceremony! Join us in our enchanted fairy tale!

**Royal Kingdom Camp (Ages 3-8)**

203021 01 June 22 – 25 M – Th  
9:00 AM– 12:00 PM

**Princess Dance Camp (Ages 3-8)**

203021 02 July 13 – 16 M – Th  
9:00 AM– 12:00 PM

Fees: \$225R \$240 NR

Location: Scout House, 6108 Edloe St.

**Eureka!** Creative contraption warning! This is a camp designed by you- the inventor. Each day you will be given a series of challenges which must be overcome using basic materials, simple machines, tips from world famous inventors and the most important thing of all- your mind. With a little bit of ingenuity you will construct catapults and forts and then lay siege, fabricate a winning egg drop design, construct a dancing robot and assemble a working light saber to take home. While Thomas Edison said invention is 10% inspiration and 90% perspiration, this camp is 100% fun!

203018 02 June 29 – July 3 M – F  
1:00 – 4:00 PM

**Red Hot Robots:** Build your own programmable robot! Join us for a week of fun with amazing robots! In this week of camp, learn about the uses of robots in our world and spend time experimenting with super cool red-hot robots. Learn about binary code and the different ways robots communicate and work with each other. Have fun with sound sensing robots, line-tracking robots, amphibious robots and robots that can even play soccer! Discover the science of circuits and how robots use sensors to explore things around them. Use your skills to build your very own working robot to take home with you!

203018 03 July 13 – 17 M – F  
1:00 – 4:00 PM

**Secret Agent Lab:** The Mad Science Spy Academy is in session. This camp features fun filled, hands on, secret agent-themed science activities. Campers will play detective as they uncover clues and use forensic science to help them solve scientific mysteries. Children will work together to crack encrypted messages and create codes of their own. They will race the clock to try to unlock a cage and build a laser maze!

203018 04 July 27 – 31 M – F  
9:00 AM – 12:00 PM

**Chemistry Mystery** What's the mystery all about? Find out in this camp all about cool chemistry. We will explore the basics of chemistry with some radical reactions and slippery slime. Want to know who stole the ice cream? Become a detective and use evidence and clues to catch the crook. After we've fingerprinted the felon with our own Personal Profiler. Crack codes, get crazy with chemistry and even make your own chocolate candy!

203018 05 Aug 17 – 21 M – F  
9:00 AM – 4:00 PM

**Fees:** Sessions 01,03,04: \$225 R, \$240 NR  
Sessions 02, 05: \$325 R, \$350 NR  
**Location:** Scout House, 6108 Edloe St.

**Oceanic Venture (Ages 4-12)**

**SCUBA – STARFISH (Ages 4-7):** This camp starts children with learning snorkeling foundation. They will learn water safety, confidence in the water, buoyance skills and navigation.

12:00 – 1:00 PM  
203010 01 June 1 – 5 M – F  
203010 02 June 8 – 12 M – F  
203010 03 June 22 – 26 M – F  
203010 04 July 6 – 10 M – F  
203010 05 Aug 3 – 7 M – F

**SCUBA - SCUBA RANGERS (Ages 8-12):** Have you wanted to learn how to SCUBA dive? This is the camp for you. You will learn how all the equipment works and learn how to breathe underwater.

1:00 – 3:30 PM  
203011 01 June 1 – 5 M – F  
203011 02 June 8 – 12 M – F  
203011 03 June 22 – 26 M – F  
203011 04 July 6 – 10 M – F  
203011 05 Aug 3 – 7 M – F

**Fees:** \$125 R, \$140 NR (plus equipment)  
**Location:** Recreation Center Pool Lane 1

**Tennis Camp (Ages 6-13)**

Tennis camp features instruction, drills, ball machine, games and team competition. There is pool time Tuesday through Friday. Friday will be a pizza and movie day. Campers may bring their own racquets or Neil will provide a loaner. Racquets are also available for purchase. Campers should bring a hat, sunglasses, sunscreen, water, a sack lunch and a snack.

8:30AM – 3:30 PM  
203006 01 June 1 – 5 M-F  
203006 02 June 8 – 12 M-F  
203006 03 June 15 – 19 M-F  
203006 04 June 22 – 26 M-F  
203006 05 July 20 – 24 M-F  
203006 06 July 27 – Jul 31 M-F  
203006 07 Aug 3 – 7 M-F  
203006 08 August 10 – 14 M-F

**Fees:** \$325R, \$350 NR first week of choice  
\$275 R, \$300 NR each additional week  
**Instructor:** Neil Harrison  
**Location:** Colonial Park Tennis Courts,  
4130 Byron St.

**Kidventure 2020**

**Registration Information**

- Priority Registration for 2019 West U KV begins **Tuesday Feb 4**
- Registration for West U families begins **Wednesday Feb 5**
- Registration for all 2019 KV families begins **Thursday Feb 6**
- General registration begins **Friday Feb 7**

**Kidventure Camp** Registration begins on **Tuesday, February 4, 2020** and is handled directly through Kidventure via their website at [www.kidventure.com](http://www.kidventure.com).
