

Approved Installation Companies for Direct Link

Thank you for registering your alarm system with DirectLink monitoring service. If you have any questions about the process, please contact the DirectLink Coordinator 713-662-5860.

The companies listed below are participating with the West University Place Police Department and will be able to connect your alarm system directly into the Emergency Communication Dispatch Center. They have agreed to assist you with all of your alarm system needs, including equipment installation, upgrades and routine maintenance.

Please keep in mind that you are under no obligation to utilize either one of these Alarm Installation Companies to become a DirectLink subscriber. If you choose to utilize an Alarm Installation Company other than those that are listed, you will need to call the City's DirectLink Coordinator to obtain information that will be necessary for your connection.

The cost for the company to perform this service is between the homeowner/business owner and the company.
